

For Immediate Release:

Uptime NetManagement Delivers Powerful Technology Solutions to K-12 Schools

April 5, 2010, ELVERSON, Pa. Uptime NetManagement, Inc. announced today that they will be a presenter and platinum sponsor at IU 13's Tech Talk Live on April 26-27, 2010. Uptime will facilitate two key sessions: "Application Virtualization – Buzzwords or Viable Solution" and "Cost-Effective Social Networking Solutions for K-12 Environments." Both sessions are designed to provide practical and budget-conscious solutions for the IT departments in K-12 schools.

Tech Talk Live is organized by the Lancaster-Lebanon Intermediate Unit 13, or IU 13. The organization strives to improve student learning by providing both direct educational services and educational support services for Lancaster and Lebanon counties' 22 school districts, as well as for adult education students, nonpublic schools, and preschoolers and their families. The Tech Talk Live conference focuses on providing IT professionals in K-12 schools with the systems administration, network administration, and desktop/technical support information they need in order to address the challenges they face every day in the workplace.

Uptime NetManagement, a certified Novell Gold Solutions Partner and Novell Gold Training Partner, has extensive experience providing technology solutions, customized training, and consulting services for the K-12 technology environment. "We are looking forward to helping our fellow IT professionals at Tech Talk Live leverage their current systems and find new solutions to keep abreast of today's constantly changing social networking needs," states Donna Moyer, CNI and Principal of Uptime NetManagement. "There are tremendous opportunities available to K-12 IT professionals that can enhance their systems and streamline their business processes. Our goal is to help them take advantage of those opportunities."

More information about Uptime NetManagement, Inc. is available online at www.UptimeNMI.com or by telephone at 610-621-1244 and via email at info@uptimenmi.com.
